

The Project

Higgins Partnerships has formed a development partnership with Hillingdon Council to jointly deliver the regeneration of Hayes Town Centre Estate and Avondale Drive Estate.

During this past year we have been pleased to have commenced the demolition works on the Hayes Town Centre project and we will continue to keep you updated on the progress on site throughout 2024.

Phase 1 Demolition

The demolition of phase one on both regeneration sites are well underway.

Christmas Shutdown:
The site will be closing for the Christmas period on 22nd December 2023 and will reopen on 2nd January 2024.

The new homes we are building

As you know, we will be providing the new affordable homes based on housing need which we captured through the housing verification forms completed with you last year.

At Hayes Town Centre we will be building:

- | | |
|------------------------|-----------------------|
| Social Rent | Shared Equity |
| 18 one bedroom homes | 5 one bedroom homes |
| 28 two bedroom homes | 9 two bedroom homes |
| 11 three bedroom homes | 5 three bedroom homes |
| 4 four bedroom homes | |

We will start to formally allocate new homes in late Spring. Allocations will be carried out in a fair consistent way according to the council's Social Housing Allocation Policy and Local Lettings Plan. The new homes will complete by Summer 2025.

Community Engagement

As Christmas approaches, we are pleased to be supporting Hayes YMCA by offering a financial donation, which will help them continue to offer their wonderful services and support to young residents in and around the Hillingdon community. We are looking forward to working with Hayes YMCA further in 2024.

We were pleased to support Hayes and Harlington Community Centre in October, for a children's Halloween party they held. Higgins Partnerships contributed £150 towards the event and in addition, we supported the centre by displaying their event poster in and around the Hayes Town Centre development to help promote the event. Our Resident Liaison Officer enjoyed helping at the event where residents enjoyed goodie bags, a fun disco and there were prizes for best costume.

Energy help for households

For further support please refer to the Help for Households website: <https://helpforhouseholds.campaign.gov.uk/>

Employment & Training

The development of Hayes Town Centre and Avondale Drive Estate will offer ongoing opportunities to our residents by welcoming them to help with the redevelopment of the estate by offering placements to residents. We encourage more women in construction currently. If you would like to be considered for a work experience placement on the development, get in touch with us on csr@higginspartnerships.co.uk.

Reporting Repairs

We have improved our services when reporting a non-emergency repair. The best way to report a repair is by using our online repair report or call us on **01895 556 600**

You will receive:

- Confirmation of works order
- 24-hour text notifying you when the repair will be carried out
- On the day of the repair a 20-minute confirmation text stating operative is en route
- Opportunity to let us know if we got things right or wrong

Estate Inspections

Did you know the estate management team carry out quarterly inspections to the block as a part of our fire safety in flats and high rise buildings?

If you would like to take part in the quarterly inspections for the estate, please get in touch with a member of the team.

Farewell

We say a sad farewell to Beverley Coleman, Decant Officer for Avondale Drive Estate. Beverley has been an active member of the regeneration team and instrumental with working to support residents during the moving process.

We are currently recruiting a new officer. If you have any queries in the meantime, please do not hesitate to contact a member of the project team on **01895 556 461**.

At the beginning of 2023, we were delighted to appoint local resident, Gemma as our Resident Liaison Officer. Gemma settled into her role nicely and continues to engage with the local community in positive ways.

Throughout the year, we have held a variety of community events for residents at Hayes Town Centre, from the Eid meal sharing event to the cycling workshop, which helped to inform young residents about cycle safety.

As the project progresses, we are looking forward to engaging with residents further in 2024 and running more activities to bring people together.

Thank you to the REP's from both Hayes Town Centre and Avondale Drive for your support with bringing about change on both estates.

The Hi! team would like to wish you an enjoyable Christmas and a happy New Year!
